

## Tentative Schedule

### 42 Years of Hadron Spectroscopy at Accelerator Facilities

<https://physics.columbian.gwu.edu/42-years-hadron-spectroscopy-accelerator-facilities>

**Sunday, August 14, 2022**

from ~6:00pm **Informal get-together at [Bar Louie](#)**

**Monday, August 15, 2022**

9:00am – 9:20am **Registration and Coffee at Lobby in front of #410, Exploration Hall**

*Session Chair: [Axel Schmidt](#); Session Secretary: [Erin Seroka](#)*

9:20am-9:30am	<i>Welcome</i>	<a href="#">Evangeline Downie</a>
9:30am-9:45am	<i>N* physics with CLAS</i>	<a href="#">Kyungseon Joo</a>
9:45am-10:15am	<i>Synergies in Studies of Hadron Correlations</i>	<a href="#">Douglas MacGregor</a> [remote]
10:15am-10:30am	<i>Launching Vector Meson Photoproduction with CLAS</i>	<a href="#">Roy Whitney</a> [remote]
10:30am-11:00am	<b>Coffee Break</b>	
11:00am-11:30am	<i>Novel Features of Hadron Physics</i>	<a href="#">Stan Brodsky</a> [remote]
11:30am-11:45am	<i>Tagger for CLAS6</i>	<a href="#">Phil Cole</a>
11:45pm-12:00pm	<i>Dalitz plot analysis for eta' to eta pi pi at GlueX</i>	<a href="#">Olga Cortes</a>
12:00pm-12:15pm	<i>Bill Briscoe for Hadron Spectroscopy. Personal Remarks</i>	<a href="#">Igor Strakovsky</a>
12:30pm-2:00pm	<b>Lunch Break, on your own</b>	
2:00pm-2:25pm	<i>Physics at Mainz Performed by the GW Undergrads</i>	<a href="#">Evie Downie</a>
2:25pm-2:40pm	<i>Bill Briscoe: His Growth from Mentor to Colleague to Friend</i>	<a href="#">John Price</a>
2:40pm-2:55pm	<i>A Women in Science</i>	<a href="#">Anne Petrov</a>
2:55pm-3:20pm	<i>From Washington to Auckland and many points in-between: Travels of a GWU Alum</i>	<a href="#">Tom Morrison</a>
3:20pm-3:50pm	<b>Coffee Break</b>	
3:50pm-4:15pm	<i>QED corrections for baryon spectroscopy</i>	<a href="#">Andrei Afanasev</a>
4:15pm-4:30pm	<i>Phenomenological Baryon Spectroscopy</i>	<a href="#">Michael Doering</a>
4:30pm-4:45pm	<i>Eta and Eta-prime Electroproduction in CLAS12 data</i>	<a href="#">Izzy Illari</a>
4:45pm-5:10pm	<i>Short Range Correlations Studied with Meson Photoproduction: Bringing Nuclear Targets to Hall D</i>	<a href="#">Axel Schmidt</a>
6:00pm	<b>Networking Reception at ONE LOUDOUN, TBD</b>	

**Tuesday, August 16, 2022**

**Remote speakers:** Please log in to the event at least half an hour before your contribution. The quoted times for this informal session are only indicative.
